

Packing List

PACKING TIPS

Packing for camp is the start of your child's independent camp experience. Please pack with your child so that he/she knows where to find clothing and other items. Campers who do not participate in packing often do not know what they have or where to find things, which makes it harder to get acclimated to camp. Camp is a great place to wear out old clothing and a bad place for new clothing or expensive equipment.

The packing list is adequate for campers staying one week or two weeks. Laundry is done for campers staying the full session (12-days). Please pack all belongings in one parcel (sleeping bag/sleeping pad may be kept separately).

Labels: All campers clothing and equipment should be clearly labeled with name (A laundry marking pen or labels are recommended).

Special Edition 50th Anniversary T-shirts and Hoodies may be Pre-ordered by June 25th.
Water Bottles may also be purchased.
Please contact the office or login to your account to pre-order camp gear.

REQUIRED: All campers are required to have a backpack and a reusable water bottle.

SHOES: The terrain at camp is rough and uneven, and appropriate footwear is a safety requirement. Please make sure your camper has tennis/athletic shoes with good tread. Water Sandals (found at sporting good stores) with strap support are perfect for out-of-camp activities. Flip flops, Crocs, etc. may be worn around camp or at the waterfront but appropriate shoes or water sandals will be required for participating in games, on trails, and all off-site activities.

SPENDING MONEY: Campers will have the opportunity to purchase items, special treats, ice cream, and small souvenirs when visiting Yosemite, Pines Village, etc. **Approximately \$80** is recommended for 12-days (\$40 for 6-days), but do not send excessive money as it leads to unnecessary spending. Be sure that campers keep their money with them in their backpack (do NOT pack with luggage), as campers will check in their money while in transit to camp. Money remains in the "Camp Bank" for safe keeping and is checked out with campers as needed. Small Bills are appreciated as campers generally "check out" money in \$5 or \$10 increments.
